

At the
CRATER LAKE RV PARK

the RULES are in place to:

KEEP THE COSTS DOWN

and the

CAMPING EXPERIENCE SUPERB

for

EVERYONE!

~~~~~  
So how are the rules enforced? By adding charges to your bill. It is our hope that never do we have to add a single penalty charge to anyone's bill. Help us do that!

1. **SPEED** The speed limit in the Park is **5 MPH**. That is slower than you think. Check your speedometer often PLEASE! You never know when a child or dog may run in front of your vehicle.
2. **PICNIC TABLES** PLEASE no hot items (hot plates, BBQs, electric skillets, etc.) on the plastic picnic tables. *They will melt* and be destroyed!
3. **BARBEQUES** PLEASE, for everyone's safety, our staff will properly dispose of your used charcoal from BBQs. Just notify a Park Host when you need this service. Propane BBQs are fine as long as they are not on the picnic tables.
4. **FIRES, FIRE PITS AND WOOD** must be requested at the office. There is no charge for the fire pit but you must purchase the wood from the Park (nominal charge). **No wood gathering or burning wood brought from outside the Park.** The forest service says "Buy it where you burn it" to avoid the transport of insects or diseases to our forest. **Propane fire pits are fine any time of year.** Wood fires may be prohibited during extreme fire danger as set by the local fire district.
5. **ALL CHILDREN** must be under adult supervision for their safety.
6. **DOGS** Well-behaved dogs and owners are welcome! Dogs must be on a reasonable length leash and picked up after both within the Park and on the trail. Dogs are not to be left unattended.
